

## Journal Prompt

Writing or journaling is always a great activity to exercise your mind! Here's an image in our collection. You may choose one or more of the suggested prompts below.

Company B Texas Rangers Capt. Bob Crowder and E. J. Banks demonstrate the latest technology in law enforcement in this 1951 photograph. Capt. Crowder sits in the car holding a car radio in his hand, and sitting on the ground is an early "mobile phone" with a long antenna. The Rangers have often adopted new technologies that help them do their job.

- Think about the technology you use today. What gadgets make your life easier?
- What do you think is happening in this photo? Write a pretend news article about it.
- Do these Rangers look how you expect Texas Rangers to look? Why or why not?
