Wear Red to Save 10%

The Texas Ranger Hall of Fame is celebrating National Wear Red Day® on Friday, February 7th. Heart disease is the No. 1 killer of women. In honor of the 10th anniversary of the Go Red for Women program, museum staff will wear red and offer visitors who wear red that day 10% off their gift shop purchases.

The American Heart Association (AHA) launched National Wear Red Day® in 2003 to bring attention to cardiovascular disease, which claimed the lives of nearly 500,000 American women each year. In 2004, the AHA created Go Red for Women to educate women on heart disease, help women come together to show their support, and increase funding for heart disease research and treatments for those in need.

Hollis Rutledge Birthday

On January 19th, Cynthia Leon, Chair of the Texas Public Safety Commission, hosted a 60th birthday party for husband, Hollis Rutledge. The event was held in John Knox Memorial Center at the Texas Ranger Hall of Fame. In addition to fajitas and country music, guests enjoyed touring the museum exhibits.

Mr. Rutledge requested guests donate to the museum's exhibit renovation projects in lieu of gifts. The museum is seeking contributions for renovations to three exhibit galleries, which will cover Texas Ranger history from 1900 to the present. Also, there will be a gallery to display the world-class *Lone Ranger* collection and an alcove honoring the retired Texas Rangers.

We appreciate the generosity of Mr. Rutledge and his guests! To become an exhibit sponsor, please contact Christine Rothenbush, Marketing & Development Coordinator, at (254) 750-8631. Thank you!
